

PUBLIC LEDGER

SEVENTH YEAR.

MAYSVILLE, KY., WEDNESDAY, JUNE 29, 1898.

ONE CENT.

LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can toss over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Biggest Hit of the Season!

Are our Serges and Linen Crash Suits. New York swell tailors are making up more Black and Blue Serges and Small Checked Worsteds this season than anything else, and we are always in touch with the fashions. We are showing the most beautiful lines of these goods imaginable. Tho' these Suits are superior in every particular and are well worth \$18 to \$22. Our policy of popular prices for first-class clothing prompts us to sell these elegant

SUITS From \$8.50 to \$12.

Our trade in Men's and Boys' Fine Shoes indicates that the majority of our people want good footwear. We sell the very best makes only and warrant every pair we sell.

Our Shirt Department is one of the features of our house. We sell the best of makes only. Our prices on them—75c., \$1 and \$1.50 are no more than you pay for inferior goods away from home.

HECHINGER & CO
LEADERS IN FINE CLOTHING AND SHOES.

THE BEE HIVE.

Wonderful Bargains in Summer Fabrics.

In order to make room on our over-crowded shelves we have reduced all that is left of our great stock of French and Egyptian Tissues, satin and silk striped Gingham, including the finest of Scotch Gingham, to 25c. and 15c. a yard. These are all goods that have sold from 50c. to 80c. a yard, every piece being of this season's purchase, of very choicest designs and superior quality. There's a limit to the quantity, of course, but you can have your choice of 'em as long as they last at the ridiculously low price of 25c. and 15c. a yard.

UNDERPRICED UNDERWEAR.

We purchase underwear in huge quantities direct from the mills. Hence we save you the jobber's profit that is included in the ordinary retailer's selling price. We show exceptional values in Ladies' Ribbed Vests at 5c. and 10c.; extra sizes 15c. Some great bargains in Infants' Little Vests at 10c. A great leader is a Man's Balbriggan Suit, all sizes, at 35c. the suit.

HOMESPUN FOR WAISTS.

This is a high grade of Linen Crash especially adapted for Ladies' Waists and Boys' Suits. Great values at 15c., 10c. and 5c. a yard. We have also an immense line of Dress Crashes at 10c., 15c. and 20c. a yard, all of them big values at little prices.

MISCELLANEOUS MENTIONINGS.

We've no need nor space to say much about our Ladies' Linen Collars at 10c. Up-to-date Military Belts at 25c. Leather Belts, 10c. to 50c. Belt and Shirt Supporters in leather or plaid, 5c. and 10c. Extra long Pique Felt Ties, 25c. Silk String Ties, 10c. each, three for 30c. Butter-milk Soap—three cakes—10c. a box. A box of Face Powder and bottle of Perfume combined, 50c. a box.

"Dewey" is the name of the monster balloon now being constructed that will be used for the first time here on the Fourth of July. To give some idea of its immensity it is only necessary to state that it is 95 feet in height and 52 feet in diameter. It is of the same shape as the balloons now in use by the United States Army. Miss Maxine who will ascend and make the drop from the parachute is a daring and fearless aeronaut and will perform hazardous feats on the trapeze in her wild flight to the aerial realms.

Fremont Park.
You were at Fremont Park last night? Nearly the whole town was, so just read this array of good things there to be seen and heard and you will be there sure tonight. Maxine good, George Edwards funny, Baroness Von Tilse mighty, George Teed excellent, James Kline talented, Carrie Allen recalled, Mott Duffy perpetually fine, Frank Hall capable and good; the ensemble short, sensible and seasonable, made up of popular airs rendered by the whole company. It's a nice place and you know what's wanted. Go.

Electric Park.
Were you out at this popular amusement place last night? If you were not you had better go early tonight. This is the real show. There was no packed house but "three or four" were there, that is we mean between three and four hundred. Dainty Baby Howard in her singing and dancing captivated the large audience present. She is one of the best child artists on the stage today, and you want to see her to appreciate her. The Howards have established themselves as strong favorites with their clever act. Seeker, Wilkes and Rastus are the same popular trio as ever. Go out tonight and you'll enjoy yourself. Remember that the vaudeville show is absolutely free to all buying a coupon ticket on the cars and it only costs you 10 cents. Be sure and ask the conductor for a ticket when you pay your fare.

At 5:20, headed by Major George Rudy's Drum Corps, Lieutenant Cochran marched his boys to the Station, where after tender kisses from mothers, sisters and sweethearts, and heartfelt good-byes from fathers, brothers and friends, the train rolled away, bearing Maysville's contribution to the Nation's Army, followed by a succession of mighty huzzas, with a blessing and Godspeed for every brave lad.

Boys, THE LEDGER bids you an affectionate farewell!

May the God of Battles watch over you in bivouac and on march; and where the fight is fiercest there may you be found, returning to your loved ones with a record of duty nobly done!

ABOUT BANK CHECKS.

The Drawer of the Check Must Put the Revenue Stamp On It.

Under the new War Revenue Law a 2-cent stamp must be put on every check drawn on a bank, and no one is allowed to affix the stamp except the person who draws the check.

The law is as follows, and it is so plain that no one ought to misunderstand it:

"That if any person or persons shall make, sign or issue, or cause to be made, signed or issued, any instrument, document or paper of any kind or description whatsoever, without the same being duly stamped for denoting the tax thereby imposed thereon, or without having thereon an adhesive stamp to denote said tax, such person or persons shall be deemed guilty of a misdemeanor, and upon conviction thereof shall pay a fine of not more than \$100 at the discretion of the Court, and such instrument, document or paper as aforesaid shall not be competent evidence in any Court."

It is, therefore, necessary for every check to have a stamp placed on it before it is presented for payment, and no one is authorized to do this except the man who writes it. A merchant out in the state who pays for a bill of goods or makes a settlement by check is the one who must, under the law, put the stamp on the check, AND HE MUST ALSO CANCEL IT. A failure to do this subjects the party to a fine of not more than \$100.
